1. This is an application challenging the issue of process which has been issued in the year 1996. The revision was dismissed on the ground of limitation. Admittedly, plea has been recorded. The matter now to be proceeded for trial. Not a fit case to interfere after 10 years. It was sought to be argued that there was no proper averment in the complaint. Prima facie, there is an averment that the applicant was jointly and severally responsible for the day to day affairs. Not a fit

case to interfere. Hence, application stands rejected.
